

With Profits Funds Investment Mix

AXA Sun Life plc

February 2009

Investment Mix

The mix of investments backing With Profits policies on 31 December 2007 and on 31 December 2008 was as follows:

ASL Fund		
	31 Dec 2007	31 Dec 2008
Equities	57%	56%
Property	14%	15%
Fixed Interest	27%	25%
Money Market	2%	4%

The proportions change in accordance with the relative investment performance of each category, and may change from time to time as a result of our investment strategy.
