### What type of insurance product is the AXA's Property Investors Protection Plan Policy?

The Property Investors Plan caters for customers ranging from individuals who own one or two properties to large commercial organisations with extensive property investment portfolios.

Where a residential property is covered, we appreciate that there are several interested parties. That is why the Property Investors Protection Plan protects both the freeholder and the long leaseholder where required by the lease agreement to be insured.

Where more than one property is insured and the limit is expressed as all claims in any one period of insurance, the limit applies for the policy, regardless of the number of locations insured.

Where **you** and **your** is referenced in bold, please refer to the following definition for the full explanation of what this means.

### Definition of You/Your

The person(s), firm, company or organisation shown in your schedule as the insured; and in relation to residential property also the freeholder and the long leaseholder where required by the lease agreement to be insured.

### We offer cover for:

- Buildings
- Rental income
- Public liability
- Employers liability
- Terrorism
