Your policy

If you have any queries about your cover, you can call us on the number listed in the [Important telephone numbers](#) section.

Please make sure you have your policy number when you call. We want you to get the most from your policy and to do this you should:

- read your policy wording and make sure you are covered for the sort of losses/incidents you think might happen;
- make sure that you understand the exclusions and conditions which apply to your policy because if you do not meet these conditions it may affect any claim you make.

Keep your details correct and up to date

If you need to make any changes to the details contained in your policy schedule, you should contact us as soon as possible. We will then advise if those changes can be made and whether any additional premium is required. In particular, you should let us know if any of the following change:

What your policy covers

What your policy does not cover

Section 1 – Cancelling or cutting short a trip (cont.)

- Insolvency of, or a catastrophe involving, the accommodation providers or their booking agents.
- Theft of your passport and/or visa within the 72 hours before your scheduled time of departure if you are due to travel outside your home area or during your trip meaning you are unable to continue your trip.
- For cancellations only, where no suitable alternative public transport is provided within 12 hours of the scheduled time of departure following delay or cancellation of your public transport, or you being involuntarily denied boarding (because there are too many passengers for the seats available).

Claims will be calculated on the number of nights of your trip you missed due to your early return or the number of nights which you were hospitalised, quarantined or confined to your accommodation.

Claims for hospitalisation or being confined to your accommodation for more than 24 hours, will be paid for the ill/injured/quarantined/confined insured person only, but where we or the Emergency Medical Assistance Service agree for another insured person (including any children travelling with them) to stay with you, we will also pay for that insured person's proportion only of any unused travel and accommodation costs and expenses, including excursions (limits listed in the [table of benefits](#)) they have not used by remaining with you.

- Any unused or additional costs incurred by you which are recoverable from:
 - the providers of the accommodation, their booking agents, travel agent or compensation scheme;
 - the providers of the transportation, their booking agents, travel agent, compensation scheme or ATOL;
 - your credit or debit card provider or Paypal.
- Denied boarding due to your anti-social behaviour, drug use, alcohol or solvent abuse or your inability to provide valid important documents required by the public transport operator or their handling agents.

This policy excludes any costs incurred as a result of normal pregnancy or childbirth. This section is designed to provide cover for unforeseen events, accidents, illnesses and diseases and normal childbirth would not constitute an unforeseen event.

- Anything mentioned in [General conditions and exclusions](#)

Top tip:

The purpose of this section is to help you if you have to cancel or cut short your trip as a result of one of the reasons listed above. Under certain circumstances, your tour operator or transport provider may be responsible for refunding your costs. If the loss you have suffered is covered by the compensation scheme of your tour operator or transport provider we will not provide cover for it under this policy. You may also be covered by your credit/debit card provider under the Consumer Credit Act if the services you've paid for are not provided as agreed e.g. if the company becomes insolvent.

Alternatively, European Union (EU) regulation establishes the minimum rights for air passengers to ensure they are treated fairly and you may be entitled to compensation from your airline in the event of one of the following:

You must comply with the following conditions to have the full protection of your policy.

You will not be covered under

- [Section 1 – Cancelling or cutting short your trip](#)
- [Section 2 – Medical emergency and repatriation expenses](#)
- [Section 6 – Personal accident](#)
- [Section 7 – Cruise cover upgrade \(if purchased and shown on your schedule\)](#)
- [Section 9 – Winter sports \(if purchased and shown on your schedule\)](#)

arising directly or indirectly from:

- 1) At the time of taking out this policy:
 - any respiratory condition (relating to the lungs or breathing)
 - cardiovascular condition
 - stroke
 - epilepsy
 - cancer

for which you have been prescribed medication or received surgery, in-patient treatment or investigations in the last five years;

unless you have declared your medical conditions to us and we have agreed to cover you (medical conditions which you have declared and we have agreed to cover are shown in your schedule),

- 2) At any time from:
 - a) any medical condition you have which a medical practitioner has advised you not to travel (or would have done so had you sought their advice), but despite this you still travel;
 - b) any surgery, treatment or investigations which you intend to travel to receive (including any expenses incurred due to the discovery of other medical conditions during and/or complications arising from these procedures);
 - c) any medical condition for which you are not taking the recommended treatment or prescribed medication as directed by a medical practitioner;
 - d) your travel against any health requirements stipulated by the carrier, their handling agents or any other public transport provider;
 - e) any medical condition you are aware of but for which you have not had a diagnosis;
 - f) any medical condition affecting you, a close relative or a business associate that you are aware of, that could reasonably be expected to result in a claim on this policy.

What does this mean?:

You are not covered for any medical conditions you already have at the start of the policy unless you have declared them to us and we've agreed to cover them. These conditions will be listed on your schedule. You will need to declare new medical conditions for each insured person at every renewal.

Important note:

Please remember that wherever we say 'you' in the policy wording, we mean everyone insured on the policy. So, everyone who is covered by this policy must meet these conditions, including declaring their medical conditions.

Top tip:

If your health changes after the start date of your policy and the date your travel tickets or confirmation of booking were issued, you should check with your GP that you are fit to travel. You will not be covered under [Section 2 – Medical emergency and repatriation expenses](#) if you travel against medical advice. You may be able to claim under [Section 1 – Cancelling or cutting short your trip](#) if this is medically necessary.

General conditions applying to your policy

Start and end destination

You must start each trip from your home or place of business in the UK and return to your home or place of business in the UK at the end of each trip.

Reasonable precautions

All persons covered by your policy must take reasonable steps to prevent loss, theft or damage to everything covered under your policy.

Failure to take reasonable steps to prevent loss, theft or damage will result in a deduction from any claim payment, or may result in your claim being declined in full.

Dual insurance

If at the time of any incident which results in a claim under this policy, there is another insurance covering the same loss, damage, expense or liability we will not pay more than our proportional share (not applicable to [Section 6 – Personal accident](#)). You must give us details of other insurance policies.

Fraudulent claims

Throughout your dealings with us we expect you to act honestly.

If you or anyone acting for you:

- knowingly provides information to us as part of your application for your policy that is not true and complete to the best of your knowledge and belief,
- knowingly makes a fraudulent or exaggerated claim under your policy,
- knowingly makes a false statement in support of a claim,
- submits a knowingly false or forged document in support of a claim,
- makes a claim for any loss or damage caused by your wilful act or caused with your agreement, knowledge or collusion.

then:

- we may prosecute fraudulent claimants,
- we may make the policy void from the date of the fraudulent act,
- we will not pay any fraudulent claims,
- we will be entitled to recover from you the amount of any fraudulent claim already paid under your policy since the start date,
- we may not return any premium paid by you for the policy,
- we may inform the police of the circumstances,
- we may pass your details onto fraud prevention agencies,
- we may place your details on to a register of claims through which insurers share claims related information.

Sanctions

We will not provide cover, be liable to pay any claim or provide any benefit where doing so would expose us to:

- any sanctions, prohibitions or restrictions under United Nations resolutions; or
- the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, or United States of America.

Important exclusions relating to your policy

Your policy does not cover you for any claim directly or indirectly resulting from any of the following:

 - Civil war
 - Rebellion
 - Terrorism
 - Revolution
 - Insurrection
 - Civil commotion
 - Civil unrest assuming the proportions of or amounting to an uprising, military or usurped power
 - Nuclear, chemical or biological attack.
- 6) Your travel to a country, specific area or event when the Travel Advice Unit of the Foreign & Commonwealth Office (FCO) or regulatory authority in a country to/from which you are travelling has advised against all travel. Cover will be excluded under all sections other than claims arising from new FCO advice resulting in you not being able to travel or cutting short the trip before completion, as provided for under [Section 1 – Cancelling or cutting short a trip](#).

? What does this mean?:

The Foreign and Commonwealth Office (FCO) provides foreign travel advice which you should check before making your booking. This can be found at gov.uk/foreign-travel-advice. If the FCO has advised against all travel to an area after you have booked your trip and taken out this policy, you will be covered under [Section 1 – Cancelling and cutting short your trip](#). However, there is no cover if the FCO advice was issued prior to your booking or purchase of this policy.

General conditions and exclusions

- 7) Confiscation or destruction of property by any customs, government or other authority of any country.
- 8) Engaging in [sports or activities](#) which are not covered on [your](#) policy. There are many [sports and activities](#) which are covered as standard under the policy, please refer to the [Sports and activities](#) section.

- 14) Any other loss, damage or additional expense following on from the event for which [you](#) are claiming, unless [we](#) provide cover under this insurance. This includes any claim for loss of enjoyment for any [trip](#).

What does this mean?:

Examples of such loss, damage or additional expense would be the cost of replacing locks after losing keys, costs incurred in preparing a claim, loss of earnings following injury, illness or disease or not being able to enjoy the [trip](#) due to poor weather.

- 15) Any amount recoverable from any other source.
- 16) [You](#) gaining access to controlled or restricted areas and/or the unauthorised use of swimming pools outside of the specified opening times. When travelling [you](#) must adhere to the guidelines issued for controlled areas, swimming pools etc.
- 17) [You](#) climbing on or jumping from a vehicle, building, bridge, scaffolding, balcony or climbing or moving from any part of any building to another (apart from stairs, ramps or walkways) and falling, regardless of the height, unless [your](#) life is in danger or [you](#) are attempting to save human life.

This applies even where [you](#) have paid for the additional costs, for example, if [you](#) have paid for another person's travel or accommodation costs. The only exception to this is if cover is agreed for someone to remain with [you](#) in the event of an illness or injury and the Emergency Medical Assistance Service agrees for another person to remain with [you](#).

In all claims you must provide details of any household, travel or other insurance under which you could also claim.

Claims evidence will be at your own expense.

Important notes:

All persons covered by your policy must take reasonable steps to prevent loss, theft or damage to everything covered under your policy.

Failure to take reasonable steps to prevent loss, theft or damage will result in a deduction from any claim payment, or may result in your claim being declined in full.

If we pay a claim for the full value of property that is later recovered, it will become our property.

Section 1 – Cancelling or cutting short a trip

Actions you must take prior to and during a claim:

- 1) You must get the prior approval of the Emergency Medical Assistance Service to confirm it is necessary to return home prior to having to cut short your trip for any of the reasons listed in [Section 1 – Cancelling or cutting short your trip](#).
- 2) If you fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as you find out it is necessary to cancel the trip, the amount we will pay will be limited to the cancellation charges that would have otherwise applied.

- 2) If you suffer injury due to an accident, illness or disease we reserve the right to move you from one hospital to another and/or arrange for your repatriation to the UK at any time during the trip. We will do this, if in the opinion of the Emergency Medical Assistance Service or us (based on information provided by the medical practitioner in attendance), you can be moved safely and/or travel safely to your home area or a suitable hospital nearby to continue treatment.

Important notes:

This is not a private medical insurance policy. The intention of this section is to pay for emergency medical/surgical/dental treatment only and not for treatment or surgery that can be reasonably delayed until your return to your home area. Our decisions regarding the treatment or surgery that we will pay for (including repatriation to your home area) will be based on this.

- [Section 1 – Cancelling or cutting short a trip](#)
- [Section 2 – Medical emergency and repatriation expenses](#)
